Limetree Bay Terminals,USVI: On 12/28/18 Region 2 issued a Plantwide Applicability Limit application completeness determination to LBT. Barring unexpected challenges during the public comment period, EPA will issue the permit 12 months from this date. The permit will provide operational flexibility to LBT. Refinery reopening activities have commenced. LBT will soon complete demolition of the #2 Beavon unit to comply with emission reduction requirements in the consent decree.
